PROFILE

- 3rd-year Computer Science student (DCU) with First Class Honours and hands-on experience in full-stack development and systems programming.
- Built 5 independent and team projects spanning React web apps, a C command-line shell, and a multi-country cultural platform.
- 3+ years of customer-facing retail experience combined with team-based technical project work.

EDUCATION

09/24 – Present **Bachelor of Science (Hons) in Computer Science** (QQI Level 8)
Dublin City University

2nd year Modules and results: 1.1

Probability & Statistics	61%	Logic	66%
Introduction to DevOps	86%	Operating Systems	57%
Computer Programming 3	80%	Introduction to Databases	85%
Systems Programming Linear	76%	Software Testing Computer	44%
Algebra	82%	Programming 4	86%
Systems Analysis	62%	Full Stack Development	91%

2023 – 2026 **BSc in Computer Science**
State University Of Intelligent Technologies and Telecommunications

Completed concurrent remote studies alongside my transition to DCU, currently on an approved gap year.

2011– 2023 **Secondary School**
School 93, Odesa, Ukraine

Projects:

- Social Network App — Built a solo React application with 15+ reusable components and Redux Toolkit state management for a live news feed. [\[GitHub\]](#) [\[Website\]](#)
- Cultural Web Platform — Led front-end development for a 5-country history/culture site (team of 4, 5-week sprint), delivering 10+ responsive pages. [\[GitHub\]](#) [\[Website\]](#)
- C Command-Line Shell — Implemented a Unix shell in C supporting process creation, 5+ built-in commands, custom signal handling, and I/O redirection; tested against 20+ edge cases. [\[GitHub\]](#)
- Portfolio Site & Translator App — Built a personal portfolio and a lightweight React-based Google Translate clone with clean UI and live API integration. [\[Portfolio\]](#) [\[GitHub\]](#) [\[Translator\]](#)

TECHNOLOGY SKILLS

Operating Systems: Linux, Linux Shell, Windows

Front end development: HTML, CSS, React, Redux Toolkit, Bootstrap, Material UI, Django

Languages: Java, JavaScript, Typescript, Python, C++, C

Databases: MYSQL

WORK EXPERIENCE

Nov 2022 – June 2026

Mr. Price

Sales Assistant

- 3.5 years of continuous employment while studying full-time.
- Processed 100+ transactions per shift, handling cash and card payments with zero discrepancies.
- Restocked and merchandised a shop floor of 500+ SKUs weekly, maintaining presentation and safety standards.
- Collaborated with a team of 6+ colleagues during peak trading hours to resolve issues and keep queue times low.

INTERESTS & ACHIEVEMENTS

Chess

- Active competitive player since age 6. Reached a rating of 2000 points on Chess.com in blitz, 1900 in Rapid, and 2100 in Bullet.

Volleyball

- Participated in regular training sessions since age 12 and actively competes in local tournaments with team Ravens.
